

## **Our Environmental Management Statement**

This Environmental Management Statement covers all operations of Rise Advisors Pty Ltd (**rise**) operations and will be communicated to all personnel and made available to the public via our website.

**rise** Principals have a strong commitment to environmental best practice and the prevention of pollution in our operations. We aim to achieve best practice in the business services sector.

Through a philosophy of 'rethink, reduce, reuse, repair, recycle', **rise** will continually improve its business performance and conduct its operations in an environmentally responsible manner, reflecting a commitment to fostering the sustainable use of the earth's resources.

We will comply with all relevant Australian Government environmental legislation regulations and policies, and we will endeavor to:

- a. minimise waste-to-landfill and greenhouse gas emissions, and further reduce our environmental footprint
- b. work with our suppliers and other interested parties to continually improve our procedures and processes in environmental best practice
- c. foster a strong environmentally aware business culture.
